# RAVEN REVIEW

VOLUME 3, ISSUE 2

## Principal's Corner

### *School Messenger, Important Updates, and What You Need to Know*

1. School Messenger – A platform that the school office can send home voice, text, or emails using all the data we collect at student registration. We will use this platform for inclement weather updates, important dates on the school calendar, or parental notification for anything related to student safety.
2. Important Updates – Our first snow day, I was able to successfully deploy the voice, text, and email message about school closure. The second snow day (late start) I was not able to send a School Messenger broadcast because of a default rule of “no messages between

8pm and 5am”. I’ve had the Diocese technology office remove this rule.

3. What you need to know – We will almost always follow BPS during inclement weather, so our notification will shortly follow theirs. You will receive a phone call, email, and (if you opt-in) you will receive a text message. Before Christmas break I sent out an email of how to opt-in to receive text messages. If you’ve since deleted that or misplaced the flyer, the simple picture above is all you have to do!

If you have any questions or need assistance, please contact the school office at (402) 223-5033.

Thank you.

## Sweetheart Gala

## Wine/Spirits Donations Needed

One of our biggest hits at the Sweetheart Gala is our Wine and Spirits Pull. We are seeking individuals to donate their favorite wines and liquors for this event. We ask that your bottles are at minimum worth \$15, but the higher the value of options, the more fun the event is! Donations can be dropped off at the Rectory, school office, or placed in the school kitchen labeled "Gala Donation".
