March

IXL Challenge Results!

Here are the results of this month's IXL Principal's Challenge! We made it!!!! Our students answered **35,272** problems in the month of March. Because we put so much emphasis on math this month, I've expanded our awards. Congratulations to those on the list, but without the help of everyone we would not have achieved our goal! Stay tuned for Mr. Haake being duct taped to the wall!
