

Family and School Handbook Agreement

Grades PK-5th

The Mission Statement at the beginning of the calendar handbook establishes the fundamental concepts for the existence of St. Joseph School as a Catholic School and expresses our responsibility to maintain high standards within our teaching environment.

The handbook has stated the expectations of our students academically and behaviorally. Procedures will be enforced if students fail to meet the requirements.

Both St. Joseph and its enrolled families must make a positive commitment to the responsibilities we share in the Catholic education of our young people. The school has expressed its commitment in the handbook.

We the parent(s) and student(s) signed below have received and reviewed the handbook calendar and agree to cooperate and support the rules and regulations of St. Joseph Catholic School.

This form is to be signed and returned to school within the first week of school.

This form will be kept on file in the Principal's office. It must be recognized that it is impossible to create rules and regulation which would govern all of the situations and activities in a school year. The Administration reserves the right to change and amend any part of the handbook as would be necessary for the welfare of St. Joseph Catholic School and the students entrusted to our care.
