# RAVEN REVIEW

VOLUME 1, ISSUE 1

## Principal's Corner...

### Tuition Procedures

Welcome back, everyone! It is refreshing to see all the students back in the hallways and our school families reconnecting! I wanted to use this portion of the Raven Review to explain our Tuition Procedures in effort to answer any future questions.

#### Can I pay with a check?

Only if you plan to pay tuition annually. If you plan to pay monthly or by semester, it must be completed online.

#### Will I get billed?

Once you turn in your Tuition Agreement and select your payment plan, we will set up statements for you. Statements will be send out on the 1<sup>st</sup> of the

month with your child, starting in September. Payments are due on the 20<sup>th</sup> of the month. If you are on a monthly payment plan and haven't paid August's portion by September 1<sup>st</sup>, it will be added to September's statement.

If you have paid your portion of tuition prior to the printing of statements, you will not receive a statement for that month.

#### Where can I find online payment instructions?

Attached to this newsletter or online at [stjosephbeatrice.org](http://stjosephbeatrice.org) > tuition > Online instructions.

#### Can I also put lunch money in online?

Yes. You can add lunch money to your child's account online, but make sure you choose "Lunch" as the appropriate account and not "Tuition". You may designate in the special instructions how much

#### Weekly Menu (Aug. 20-24)
