January IXL Challenge Results!

Here are the results of this month's IXL Principal's Challenge! Each month the top students from each grade will be rewarded for mastering the most skills on IXL Math. Our hope is that each grade level will increase their problems attempted and skills mastered every month! As a school, our learning goal is to increase our math proficiency scores and IXL is a platform that will help us reach those goals. Students have utilized IXL in their classrooms, computer class, and most importantly, at home over the month of October.

To use IXL at home go to: <https://www.ixl.com/signin/stjsbeatrice>. Usernames are firstinitiallastname (ahaake) and password is: ravens.

You may also use the IXL app. Using the app you must put @stjsbeatrice behind their username.
