PARISH NEWS

MISSION SUNDAY: We celebrate World Mission Sunday. Pope Francis invites the entire Church to support the mission dioceses in Africa, Asia, the Pacific Islands, and parts of Latin America and Europe, where priests, religious and lay leaders serve the world's most vulnerable communities. Please keep the Pope's missions in your prayers.

EAT OUT FOR ST JOE'S. The School Family Association Night Out at Arby's is on Oct 28th from 5-8pm. 10% of sales go back to the school. Come enjoy a night of no cooking and support our school.

DIAPER DRIVE: One of the non-truths in the abortion debate is the notion that pro-life advocates care about the child in the womb and do nothing for pregnant women or for the children once born. The Diaper Drive is a great opportunity to support the women that choose life rather than abortion. Let's all work together to make this Pro-Life Diaper Drive a great success. The Centers we serve advise the diaper sizes 4, 5, & 6 are in greatest demand. Please place the diapers by the statue of Mary in the church.

ST JOSEPH DECORATING COMMITTEE is looking for volunteers to help with seasonal decorating in the church. Must be able to climb a ladder and do some heavy lifting.

FROM THE SCHOOL

BOX TOPS FOR EDUCATION Thank you to everyone who has been collecting Box Tops! This summer we used our Box Tops earnings to purchase basketballs, footballs, kickballs, gym balls, and jump ropes. All of these items are used for indoor or outdoor recess. We will continue to collect Box Tops. Our first submission this school year will be Nov. 1. Please send your Box Tops to school by **Oct 28th**. The Box Tops for Education Program is also making some big changes this year. They are now going to an all-digital format. You will need to get the Box Top for Education App on your phone and select our school for your earnings to go to. Then when you purchase items with digital Box Tops, you can just scan your receipt and the Box Top earnings will automatically go to our school. We will still be sending in the Box Tops that you save off of the participating products, until all of the Box Tops change to digital. So, please keep saving and sending in your Box Tops, but also please get the new Box Tops for Education App and digitally save for our school! We really appreciate everyone's support! Every Box Top counts and adds up for the school to be able to purchase great items for our indoor and outdoor recess times. Thanks!

FROM FATHER BARNHILL

MISSION STORIES: My homily last week mentioned that I've been influenced since childhood by the stories from the missions. Here is a story from the October 2019 issue of *Columban* magazine for Mission Sunday 2019:

FROM FATHER PATRICK RONAN: The first things I noticed on being transferred to jail in Kashing was a big pair of boots on a windowsill diagonally across from my cell. "They surely belong to no Chinese," I thought to myself; shortly afterwards, I heard voices raised in argument about water. I peeped out and saw Fr Paddy Reilly with a shaven head and a little beard arguing with a guard. He didn't look towards me, but I knew he'd seen me out of the corner of his eye. Once the guard moved along, Paddy and I promptly popped up to our windows, and in sign language we held a quick exchange of greetings, congratulations, encouragement... and absolutions. I cocked my ears to interpret every sound. Coughing from a cell across from me, and not so very far away, plainly said, "Welcome, Paddy, I'm here too; chin up!" - that was Fr. Jack Casey. A cough from the far end of the corridor was Fr. Owen O'Kane. For ten days Fr. Paddy and I were left in those two cells where we could see each other. Between visits of the guards, we traded information about fellow priests - we just imitated some idiosyncrasy of each. One of the first things was a code for absolution; two hard nose blows meant a request for absolution; a responding cough meant that it had been given. We made jail rosary beads in August 1952. On communist feast days, we got better food, which included Chinese steamed bread. From this I made my beads. I steeped the bread in water until it became pasty and then I molded the beads around an old string pulled from a quilt and left them to dry. For the crucifix, I cut off a piece of leather and trimmed it to the proper shape. I then formed the figure from rice squeezed into a paste and attached it to the cross by small pieces of wire. Those beads journeyed all the way to Hong Kong and to freedom with me.

FATHER MARNENI is scheduled to return to Beatrice on Friday afternoon, November 1st. I have not heard any news of his activities in INDIA.
