### **FROM FATHER BARNHILL**

**CATHOLIC SCHOOLS WEEK:** FROM THE NATIONAL CATHOLIC EDUCATION ASSOC:  
*Catholic Schools: Learn. Serve. Lead. Succeed.*  
This theme encompasses the core products and values that can be found in Catholic schools across the country. Not only are we teaching students to become future servant leaders, faith-filled disciples and enriched citizens in our communities, we, as educators, are growing with them. In Catholic schools, we are all learners, servants and leaders. These shared qualities are what make Catholic schools work. They are what make Catholic schools succeed.

FROM THE DIOCESE EDUCATION OFFICE (from Dr. Matt Hecker, Chief Administrative Officer):  
Catholic Schools Week is a great opportunity for each school to engage in some type of school marketing activity. It gives us a very natural chance to tell our story. And it must be told! We can't assume our parishioners and our communities know the good things we do. A good goal for most schools (but not all) would be to target increasing your enrollment by 10 students. A goal frames the marketing strategy. That is to say, what would you do, what efforts must you take, to get 10 additional students into your school by August 2020?  
Let me once again offer my sincere thanks and gratitude for your work and that of your school staff. Catholic education happens in your buildings, not the Diocesan Center. Everything we do in the diocesan office is in support of what you do. And what you do is faithfully proclaim and live the gospel of Jesus Christ in the mission of Catholic schools! In these difficult times, we're reminded that Jesus never promised things would be easy. Rather, he promised he would remain with us. And he does! And we are his children and these are his schools. Vivat Jesus!! And praised be his most Holy Name.
