In marriage, communication is more than just talking. At some point, did you stop sharing about the things that were important to you? Did your spouse? Improving a marriage takes time and a conscious effort to learn about your spouse. Growing closer in a marriage does not happen automatically. Retrouvaille is a

marriage program dedicated to helping couples grow closer and develop a stronger bond. You give your heart and soul to everything you do, between your work and your family. Are you giving your heart to your marriage? Sometimes the distance between a husband and a wife can seem so wide that it cannot be repaired. Retrouvaille is a marriage program designed to bring couples closer together. For more information about the Virtual Retrouvaille Weekend Oct 22-25 2020 to register call 1-800-470-2230 or www.helpourmarriage.org, www.retrouvaille.org last day to sign up is October 11th 2020

A man buys a parrot and brings him home. But the parrot starts insulting him and gets really nasty, so the man picks up the parrot and tosses him into the freezer to teach him a lesson. He hears the bird squawking for a few minutes, but all of a sudden the parrot is quiet. The man opens the freezer door, the parrot walks out, looks up at him and says, "I apologize for offending you, and I humbly ask your forgiveness." The man says, "Well, thank you. I forgive you." The parrot then says, "Might I ask you, what did the chicken do?"

Arrangements to take communion to the homebound, nursing homes, or assisted living must be initiated by those wishing to receive and cleared with their respective facilities (if not their own homes). Please don't hesitate to call and ask for a visit. Both priests are willing but must work within the guidelines of each respective facility. Presently Fr. Rand is working with a few who have come forward to be Eucharist Ministers to help with taking communion out to those confined to their homes. This assistance greatly helps. If you would like to learn more about being a Eucharistic Minister and feel a calling to do something meaningful in the parish to help both fellow parishioners and priests contact Fr. Rand.

Is my Stewardship of Giving my time, my talent, my resources for God's greater glory or my own? Do I set up agendas for others to meet my way of doing and giving or do I let the Spirit form a community of response open to His movements, new ideas, new ways, another's lead?
