Satan is infecting far more people of our world today than Covid to bring about division, discouragement, distrust and separation. He plays to the tune of the weakness of those who feel a need to dominate or be in control, those who feel superior or believe they know better, those who hunger for attention or recognition, those who gossip, cast accusations or judgments, those who simply are poisoned with negativity. Satan then influences and stirs up these weaknesses to undermine, to paralyze, to impose fears or anxieties or put halt the movement of the Holy Spirit, the works of mercy, the building of community and one's personal growth in holiness. We can see it in national interests, business environments, our communities, organizations and groups at every level, even sadly in parishes. It is up to people of prayer and faithfulness to stand fast in living a Gospel life of mercy, in striving for personal holiness

and taking the message and teachings of Christ into their daily lives, thoughts, conversations and interactions. A healthy relationship with Jesus and His Church --frequent confession and faithfulness to the Mass-- a desire to die to self and build up others become the spiritual vaccine to allow the kingdom of God to grow through each of us.

"Because of the increase of evildoing (Satan's influence), the love of many will grow cold." --  
Matthew 24:12

**Divine Mercy Sunday is this week.** St. Joseph in Beatrice invites all to join in a sung Divine Mercy at 3 PM. A plenary indulgence is granted to those who on Divine Mercy Sunday take part in prayers and devotions held in honor of the Divine Mercy or who in the presence of the Blessed Sacrament exposed or reserved in the tabernacle, recite the Our Father and the Creed, adding a devout prayer to the merciful Lord Jesus (example: Merciful Jesus, I trust in you!).

In addition all seeking the indulgence must receive Holy Communion that day, make a sacramental confession (within 20 days before or after), pray for the intentions of the Pope (one Our Father and one Hail Mary at a minimum), and be completely detached from the affection for a sin [totally free of any desire to relapse into sin], even a venial sin. **Steve was in his** early 50's, retired and had started a second career. However, he just couldn't seem to get to work on time. Every day he was 5, 10, 15 minutes late. However, he was a good worker, really clever, so the owner was in a quandary about how to deal with it. Finally, one day he called Steve into the office for a talk. 'Steven, I have to tell you, I like your work ethic, you do a top class job, but you're being late so often is quite a worry.' 'Yes, I realize that, sir, and I am working on it.' replied Steve. 'I'm pleased to hear that, you are a team player. It's odd though, you're coming in late. I know you're retired from the Navy. What did they say if you came in late there?' 'They said, "Good morning, Admiral".'

**Prayer to St. Joseph Terror of Demons:** Saint Joseph, Terror of Demons, cast your solemn gaze upon the devil and all his minions, and protect us with your mighty staff. You fled through the night to avoid the devil's wicked designs; now with the power of God, smite the demons as they flee from you! Grant special protection, we pray, for children, fathers, families and the dying. By God's grace, no demon dares approach while you are near, so we beg of you, always be near to us! Amen. --From Fr. Calloway's Consecration to St. Joseph book.

**Thank you to those** in each parish who have (and continue) to contribute food or resources to local food pantries. This act of mercy to feed the hungry will be met with the generosity of the Lord’s blessing in your lives.

**What comes forth in** how and what we say describes the heart from which it came. Do we consider that when make our voice heard?
